

Inspection Acceptance and Sign-Off Form

Project Name:	Hope Bay Project
Description of Area Inspected:	<i>Doris North- Windy Bridge Thermistors Installation</i>
Date of Inspection:	<i>April 9, 2012</i>
Parties Present at Inspection	<i>Gary Sodhi, Nuna Contracting Ltd. Lawrence Borowski, SRK Consulting Inc.</i>

Comments:

All 5 thermistor strings at the Windy Bridges were installed as per SRK's specifications. The thermistor strings were tested prior and following the installation and were determined to be in working condition.

As per SRKs request the surface will be compacted with a 1000lb walk behind packer or better at a later date. The junction boxes will also be installed once they are manufactured by TliCho.

Installation Complete
