Good Morning Andrew,

Thank you for taking the time to discuss these requests with me this morning.

As discussed, we will proceed with discharging the compliant water from the containment facilities immediately.

And, as requested, we will follow-up with NRCan to obtain their approval for disposing of the old explosives by open burning. Once we have the NRCan approval, we will inform you of their decision prior to beginning this activity.

Thank you,

Angela

Hello Andrew,

With Ian no longer at AANDC, I am forwarding these notifications regarding the Hope Bay project to you until we have a new water resources inspector assigned to our project. If you could let me know whether you are the correct person to be forwarding these notices to I would appreciate it.

If you have any questions about these submissions, please contact Angela (copied on this e-mail).

Thank you,

Lea-Marie
