Hello Katsky,

You are authorized to proceed with the discharges under 2AM-DOH1323 as proposed in your May 24 notification, upon receipt of compliant water quality results. Please ensure that appropriate erosion control measures are in place for all tundra discharges.

You are authorized to use compliant berm water for dust suppression as has been done in the past.

Regards,

Eva Paul

Hello Eva,

Please find attached our discharge notifications in advance of spring melt for the Doris and the Boston water licences.

Let me know if you have any questions.

All the best,

Katsky
