**Re: Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) Reply to TMAC Resources Inc. Response to CIRNAC Comments on Proposed Site Specific Geochemical Criteria for Non-Mineralized Waste Rock Construction for Water Licence 2AM-DOH1335 – Amendment No. 2, Doris-Madrid (Hope Bay) Gold Mine Project.**

Dear Mr. Dwyer,

Thank you for your October 2, 2019 invitation to reply to the TMAC Resources Inc. (TMAC) response to Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) comments on the above referenced Proposed Site Specific Geochemical Criteria for Non-Mineralized Waste Rock Construction.

The response was examined pursuant to CIRNAC's mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*. CIRNAC finds the response sufficient to address the technical comments and has no further concerns.

If there are any questions or concerns, please contact me at (867) 975-4282 or by e-mail at [bridget.campbell@canada.ca](mailto:bridget.campbell@canada.ca), or David Zhong at (867) 975-4555 or [david.zhong@canada.ca](mailto:david.zhong@canada.ca).

Sincerely,

Bridget Campbell  
Water Resources Coordinator
