Subject: Revised Non-Hazardous Waste Management Plan

Dear Robert Hunter,

On January 22, 2025, the Nunavut Water Board invited parties to comment on the Revision to the Non-hazardous Waste Management Plan, file number: 2AM-DOH1335. The Fish and Fish Habitat Program of Fisheries and Oceans Canada (FFHPP) has reviewed the Revision to the Non-hazardous Waste Management Plan, file number; 2AM-DOH1335 in accordance with Fisheries and Oceans Canada's (DFO) mandate and provides the comment below:

Comment DFO #1:

The current management plan does not include a detailed description of any construction required to develop the landfill. DFO requests the proponent provide a construction plan for the development of the landfill and provide a blast monitoring plan if any blasting will take place near fish bearing water.

Yours sincerely,

Holly Simpson
