**Subject:      Revised Non-Hazardous Waste Management Plan – Response to  
Comments**

To whom it may concern,

On March 5, 2025, the Nunavut Water Board requested that DFO comment on Agnico Eagle Mines Limited's (AEM) response to comments on the Revised Non-Hazardous Waste Management Plan, file number: 2AM-DOH1335. The Fish and Fish Habitat Program of Fisheries and Oceans Canada (FFHPP) appreciates the opportunity to respond and offers a comment below.

**DFO response #1:**

The Department of Fisheries and Oceans Canada (DFO) has reviewed the Revised Notice of Modification for the Saline Water Storage Ponds – AEM response to comments, file number 2AM-DOH1335 in accordance with DFO's mandate and confirms AEM has addressed our concerns.

Yours sincerely,
