Dear Ms. Beaulieu

Re: HBML. - 2AM-DOH0713 - Sewage Management Plan

I have reviewed the above submission on behalf of the KIA. Methods described in this plan for the management of sewage waste at the temporary Matrix camp are acceptable to the KIA provided discharge criteria are met. The KIA does not wish to comment in regards to the permanent sewage management plan for Doris North at this time.

Please contact us if you have any questions.

Sincerely,

Kevin Tweedle
Lands and Water Technician
