2AM-DOH1323**

Hello,

Please find enclosed a revised Domestic Wastewater Treatment Management Plan (the Plan) for the Doris Project, applicable to Water Licence 2AM-DOH1323.

This Plan replaces the 2014 Wastewater Treatment Management Plan.

This Plan has been revised to in consideration of comments received on the 2014 Plan and to reflect both the construction and operations Phases of the Doris Project. This Plan is also appropriate for the Amended Project should the proposed changes be permitted. The Plan structure has been changed to present the licence-specific aspects in modular format to facilitate future licence-specific changes should they be needed.

Please let me know if you have any questions concerning this submission.

Sincerely,
