Good morning Chris - Thank you for the notification of the increase from 49 to 68. This does not change the modification in anyway. You're good to go.

Subject: Increase accommodations at Doris North Camp from 49 to 68 people - Hope Bay

Dear Phyllis,

As per our conversation on the phone today, Newmont Mining Corporation would like to increase the accommodation number in the Temporary Camp at Doris North from 49 approved in David Hohstein's June 6, 2008 letter to 68 people. I understand from our conversation that the increase in the number of occupants is acceptable as long as the company complies by the other criteria laid out by Mr. Hohnstein in his letter.

Thank you very much for your attention to this request.

Sincerely yours,

Chris Hanks
