Re: Indigenous and Northern Affairs Canada's (INAC) Comment on TMAC Resources Inc.'s Notification of Modification for the Windy Lake Water Intake Line for Water Licences #2AM-DOH1223 and 2BE-HOP1222 – Doris North and Hope Bay Projects

Dear Ms. Porter,

Thank-you for the email notice received on December 14, 2016 regarding the above mentioned notification.

INAC Water Resources Division reviewed the notification of modification and was unable to find some information, particularly regarding the installation depth of the proposed intake. We have requested the information from TMAC and they have agreed to provide it, so we will be submitting a review once we receive the missing information.

Please do not hesitate to contact me at 867-975-3876 or sarah.forte@aandc-aadnc.gc.ca for any additional information.

Regards,

Sarah Forté
Water Management Coordinator
