Hello Robin,

Thank you for your December 18, 2020, invitation to interested parties to review the TMAC Resources Inc. (TMAC) proposal to construct a Contact Water Pond at the Madrid North Portal Pad, for the Type "A" Water Licence No. 2AM-DOH1335. Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) examined the referenced proposal pursuant to CIRNAC's mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*.

CIRNAC has no concerns with the proposal and looks forward to reviewing the Construction Summary Report, which TMAC is expected to submit within ninety (90) days of completion of the Contact Water Pond.

Thank you and kind regards,

Bridget Campbell
