Dear Mr. Aglukark:

Subject: Izok Corridor Project – Request for Fisheries Application

Fisheries and Oceans Canada (DFO) recently received a preliminary project description and applications for section 35(2) *Fisheries Act* authorizations dated August 20, 2012 from MMG Resources Inc. for their proposed Izok Corridor Project near Kugluktuk, Nunavut.

DFO is referring copies of the applications submitted to DFO for the Izok Corridor Project to the Nunavut Planning Commission (NPC), as per Section 11.5.10 of the Nunavut Land Claims Agreement, to allow the NPC to complete its conformity analysis.

If there are any questions or clarification needed on any of these matters, please contact Nicola Johnson at (867) 669-4933 or by e-mail at nicola.johnson@dfo-mpo.gc.ca.
