**Re: Application for renewal of a Type 'A' Water Licence, 2AM-JER0410 Request for One-
Week Extension of Timeline for Receipt of Intervenor's Submissions**

Dear Parties:

The Nunavut Water Board (NWB or Board) has received the attached request from the Kitikmeot Inuit Association (KIA) for an extension to submit their intervention in respect of Type 'A' Water Licence, 2AM-JER0410 from the date of September 23 to September 30. Prior to making a decision on the request, but understanding that time is of the essence with the Public Hearing date fast approaching, the NWB is requesting that the Parties provide their comments regarding KIA's extension request on or before **12:00 pm on Friday, September 16**. After the Parties' comments have been received, the Board will consider the request and provide their direction as soon as possible next week. All submissions should be provided to the Manager of Licensing at licensing@nunavutwaterboard.org.

If you have any questions or require clarification on the above, please contact Dionne Filiatrault at dionne@nunavutwaterboard.org.

Sincerely,
