RE: Jericho Monitoring Meeting in Iqaluit

Dear Parties,

My name is Josh Gladstone. As the Monitoring Officer for the Nunavut Impact Review Board I will oversee the monitoring program for the Jericho Project. I am excited to begin the renewal of this program and look forward to hearing your input. To this effect, I am writing both to introduce myself as Monitoring Officer, and to ask for your help in further developing the monitoring program.

I would like to meet with DFO personnel who are currently involved in the regulation and monitoring of the Jericho Project. Please let me know if you are available between Tuesday, February 28th and Thursday, March 1st (inclusive) for a short meeting in Iqaluit. Proposed topics include areas of jurisdiction, regulatory instruments, reporting, inspections and monitoring, avoiding duplication, sharing of information, scheduling, and events that have transpired to date between your organization and Tahera. If possible, it would be useful if you could provide me with copies of approval instruments for the Jericho Project prior to our meeting.

Thank you for your time. I look forward to working with you in the future.

Sincerely,

(Original signed by)

Josh Gladstone
Monitoring Officer
