RE: Jericho Monitoring Meeting

Dear Ms. Dunn,

As the Monitoring Officer for the Nunavut Impact Review Board I will oversee the monitoring program for the Jericho Project. I am excited to begin the renewal of this program and look forward to hearing your input. To this effect, I am writing both to introduce myself as Monitoring Officer, and to ask for your help in further developing the monitoring program.

I would like to arrange a meeting with personnel from Health Canada who are currently involved in the regulation and monitoring of the Jericho Project. Please let me know if you are available between Monday, March 6th and Friday, March 10th for a short teleconference. Proposed topics include areas of jurisdiction, regulatory instruments, reporting, inspections and monitoring, avoiding duplication, sharing of information, scheduling, and events that have transpired to date between your organization and Tahera.

Thank you for your time. I look forward to working with you in the future.

Sincerely,
