RE: Jericho Monitoring Meeting in Iqaluit

Dear Ms. Spagnuolo,

As the Monitoring Officer for the Nunavut Impact Review Board I will oversee the monitoring program for the Jericho Project. I am excited to begin the renewal of this program and look forward to hearing your input. To this effect, I am writing both to introduce myself as Monitoring Officer, and to ask for your help in further developing the monitoring program.

I would like to confirm our meeting in Iqaluit on Tuesday, February 28th at 1:30 pm. Other Environment Canada personnel who are currently involved in the regulation and monitoring of the Jericho Project are invited to attend. Proposed topics include areas of jurisdiction, regulatory instruments, reporting, inspections and monitoring, avoiding duplication, sharing of information, scheduling, and events that have transpired to date between your organization and Tahera.

Thank you for your time. I look forward to working with you in the future.

Sincerely,

(Original signed by)
