**Re: Jericho Socio-Economic Monitoring Committee**

---

Dear Mr. Havioyak,

The Nunavut Impact Review Board (NIRB) thanks the Kitikmeot Inuit Association (KIA) for their timely response to NIRB's inquiry into KIA representation on the Socio-Economic Monitoring Committee (SEMC) for Jericho.

The NIRB is committed to fulfilling its obligations under condition 44 of the Jericho project certificate. In this regard, NIRB would like to consult with the KIA and other Inuit organizations concerning the role of the SEMC and the scope of its activities.

The NIRB's Monitoring Officer will be contacting you shortly to arrange a meeting. Geoff Clark is currently on file as the KIA contact for this matter. Please send us updated contact information if required or if anyone else should be in attendance at the meeting.

Sincerely,
