Subject: Request for Extension
Date: Monday, July 20, 2009 1:59:59 PM

Good Afternoon Dionne & Dave,

INAC is requesting an extension to provide comments for the Assignment of Licence 2AM-JER0410 for the Jericho Project. An extension date of Friday July 24th would be sufficient to provide the necessary comments for this assignment. Let us know if this is possible.

Thank you and have a great day.

Ian
