**Re: Nunavut Water Board – 2AM-JER0410, Assignment of Licence Type A – Windy Camp
Relocation (P. Strand, Benachee Resources Inc.)**

Date due: **November 29, 2010**

Dear Phyllis Bealieu

The Government of Nunavut – Culture, Language, Elders and Youth (GN- CLEY) has reviewed the material for Licence Assignment to Benachee Resources, to use water and waste disposal water associated with the new assignment.

The department does not object to the application. However, the department continues to urge the proponent to be sensitive to the fact that all archaeological and palaeontological sites in Nunavut are protected by law and the proponent must understand that it is their responsibility to ensure no sites are disturbed in the course of activities.

Should any additional sites or artifacts be encountered, the proponent must contact the Department of Culture, Language, Elders and Youth.

Sincerely,

Edward Atkinson, for
