Good afternoon, Phyllis.

The Department of Indian and Northern Affairs Canada would like to thank the Nunavut Water Board for the opportunity to participate in the Type 'A' water licence renewal process for the Jericho Project.

INAC would like to respectfully request of the Board an extension to submit a technical intervention from Friday, June 10th, until Monday, June 13th.

Thank you for your consideration in this matter. Please feel free to contact me at your convenience should you wish to discuss.

Regards,

Tanya
