RE: Water License NWB1JER0410 Monthly SNP Report – November 2005

General

During the month of November 2005, JER-SW1 sample was collected as part of the Surveillance Network Program associated with Water License NWB1JER0410. Water sampling results and field measurements are included in Table 1.

During the month of November, the commissioning of the Truck Shop was initiated which included the flushing of pipes once construction was completed. This water reported to the PKC and volumes are included in Table 2.

Results

A) Water Sampling and Analysis Results

1. Table 1 provides the results for samples related to the SNP sampling requirements for the month of November 2005.

B) Flow and Volume Measurements

1. Table 2 provides a breakdown of flow and volume measurements and solid material moved as required under Part K, Item 12 and 13 of the water license.
