

Note to File

FILE NO:	NWB1JER0410		Tahera Diamond Corporation	
RE:	Part D, Item 13- Long Lake Dewatering Plan			
FROM:	Philippe di Pizzo, Executive Director		Dionne Filiatrault, MTS	X
	Joe Murdock, Technical Advisor		David Hohnstein, Technical Advisor	
	Phyllis Beaulieu, MLA		Richard Dwyer, License Trainee	
DATE:	October 4, 2005			

File Assigned to: TA1

Licence Requires: Submission of a *Long Lake Dewatering Plan at least 60 days prior to dewatering certified by a Hydrologist* and in accordance w/schedule D 13.

File needs to be put on the White Board(ML)

(Effective Date January 25/05; Reports Received July 14/05)
Plan subject to Board approval.

Process Background: Document distributed to parties w/out PTR on August 5, w/Deadline September 5. **TA1 to complete a PTR. Need to determine if expert advice needed. Possibly send to Ramli if they have Hydrologist on staff.**

Comments Received from: DFO only. Concern that no comments received from INAC or KIA.

Action Needed: As per ED earlier direction comments to be forwarded to the Licensee for final comment. Once response received FTR and Final letter of approval to licensee.

Executive Issue(s):

1. Suspect dewatering has been completed.
