Re: NWB1JER0410/TR/D4 – Borrow Management Plan
CC: Geoff Clark – Environmental Screener, Jack Kaniak – Lands Manager

Dear Phyllis,

KIA has received and reviewed the submission from Benachee Resources Inc. (“BRI”) titled *Borrow Management Plan* for the Jericho Diamond Mine. We recommend that prior to development of Borrow Area D, the existing three natural drainage areas be inspected by a qualified Hydrologic Engineer to ensure a 10 m buffer is adequate for protecting the streams, stream function, and downstream waters.

Sincerely,

Lynn C.
