Re: Landfill Design, Waste & Hazardous Materials Management Plan

KIA would like to thank the Nunavut Water Board for the opportunity to provide comments on the Landfill Design, Waste & Hazardous Materials Management Plan submitted by Tahera Diamond Corporation Inc. as a requirement of Part D, Item 6 & Part H, Item 5 of water license 2AMJER0410

Upon preliminary review, KIA believes the Plan to be largely acceptable.

Please contact us if you have any questions.

Sincerely,

Kevin Tweedle
Lands and Water Technician
