Hi Phyllis....as disclosed at the recent public hearing in Kugluktuk, Shear Diamonds Ltd. neglected to file the Incineration Management Plan on November 1, 2011 (now being referred to as a Standard Operating Procedure – Incineration) as committed to at the Pre-Hearing Conference in June 2011. As explained at the hearing, this was a miscommunication between Shear and its consultants and we agreed to provide it by December 15, 2011.

I am writing to seek an extension to December 22<sup>nd</sup>, 2011. Please confirm whether or not this is doable.

Thanks.
