Thanks Caren...NIRB's process will begin once we have received a positive conformity determination from NPC.

Thanks.

Greetings,

I am writing to notify you that the Kiggavik application information and the supporting Project Proposal were mailed on 14 November 2008 and you should be receiving them shortly. We trust that receipt of this package will initiate the Nunavut impact review process. AREVA is looking forward to working with the authorizing agencies and boards throughout this process.

For comments, questions or concerns please do not hesitate to contact myself or Frederic Guerin, General Manager, at (306) 343-4631.

Sincerely,

Diane Martens

Attention Stephanie:

Re: Kiggavik Project: Notification Regarding the Submission of the Project Proposal

AREVA Resources Canada Inc. ("AREVA") is writing to notify the Nunavut Impact Review Board ("NIRB") of its intention to commence the regulatory process to obtain the necessary approvals to allow for the development of a Uranium Mine and Mill with the submission of application information for required permits and licences, along with the Kiggavik Project Proposal on November 14th, 2008.

For comments, questions or concerns please do not hesitate to contact myself or Diane Martens (main contact managing the review process correspondence) at diane.martens@areva.ca and (306) 343 4042.

Yours truly,
