Re: Addendum to Participant Funding Applications Package for the NIRB's Review of AREVA Resources Canada Inc's "Kiggavik" Project

Dear Honourable Chuck Strahl:

On June 14, 2010 the Nunavut Impact Review Board (NIRB or Board) forwarded a package to your attention regarding requests for participant funding for the NIRB's review of the AREVA Resources Canada's "Kiggavik" project proposal (NIRB File No. 09MN003). This package included an update to the Minister and his representatives of the total funding requested by applicants including applications received on April 23, 2010, and new or revised applications received on June 1, 2010. It has come to our attention that a piece of email correspondence meant to accompany the updated application by Nunavummiut Makitagunarningit's was missing from the package that was sent to your office on June 14, 2010. The attached email (in PDF format) serves as the cover letter for the Nunavummiut Makitagunarningit's updated application and should be included as part of the participant funding application package for your consideration.

Should you have any questions or comments, please do not hesitate to contact my office.

Sincerely,

Stephanie Autut
Executive Director
