Dear Mr. Barry:

Re: Revised Anticipated Submission Date for the Draft Kiggavik Environmental Impact Statement

I would like to provide the NIRB with an update on AREVA Resources Canada Inc.'s (AREVA) progress towards a draft environmental impact statement (DEIS) for the Kiggavik Project and our anticipated submission date. In a letter to the NIRB dated June 2, 2011, AREVA communicated an anticipated DEIS submission date of November 30, 2011. As we progress through the preparation of the DEIS we now anticipate a later submission of December 21, 2011.

We will continue to keep you informed of any changes to progress on the Kiggavik DEIS and the anticipated submission date. Please do not hesitate to contact Diane Martens, Regulatory Coordinator, at 306-343-4042 or diane.martens@areva.ca with any questions or to request a Project update.

Yours truly,
