RE: AREVA's proposed Kiggavik uranium mine

Mr. Valcourt,

The Chesterfield Inlet Hamlet Council has received and reviewed the letter sent to you on September 18th, 2015 from the Aqigiq Hunters and Trappers Organization (HTO). The Hamlet Council agrees with the concerns raised by the HTO, and passed a resolution in support of the HTO position.

Our Hamlet Council is opposed to approving AREVA's proposed uranium mine at this time. I urge you to uphold the Nunavut Impact Review Board recommendation, and reject the Kiggavik proposal.
