Hi Ida and Karen,

I just received an undeliverable message for my email below. I have a new email address (Mandalay Resources email address - noting the Elgin Mining still works for the time being) and unfortunately I lost all my contacts and I inadvertently typed in the NWB email addresses incorrectly. I have made the change. My apologies.

Dear Mr. Kharatyan:

LMI would like to thank the Nunavut Water Board (NWB) for the opportunity to provide additional information and presentation materials for the NWB Procedural Guidance And Invitation to NWB Hosted Conference Call to Discuss Lupin Mines Incorporated's Updated Interim Closure and Restoration Plan, Updated Closure Cost Estimate and Request for Reduced Reclamation Security (October 2017) letter dated March 26, 2018. As we have noted in previous discussions and correspondence with the NWB, this is a very important issue and we appreciate the NWB's timely consideration of our request for a reduction.

Attached please find the following documents:

- LMI Response To NWB Security Review Additional Information Submission

- Dionne Filiatrault – Project Manager, Golder Associates Ltd.
