Dear Melissa:

**Zinifex Canada Inc. (Lupin Gold Mines Ltd.) Lupin Water Licence NWB1LUP0008
2008 Discharge Notice**

As required by Part D, Item 9 of Water License NWB1LUP0008, please be advised that the planned discharge of the tailings containment area is scheduled to commence shortly after Sept. 10 2008, once the water quality meets all regulatory and license requirements. The current License expired June 30 2008, we had sent a renewal application into the water board December 2007 and are in communication with the water board to receive special permission to discharge prior to the renewal of the Lupin Water License.
