Re: Amendment to Security Deposit for Licence for Lupin

At this point, all parties on the distribution list should have received a copy of the amendment application for Lupin along with the letter from Philippe di Pizzo dated June 8, 2001.

As well, most parties would have received by mail a memo to the technical distribution list dated May 31, 2001 for both the "Interim Abandonment and Restoration Plan" and "Cost Estimate for Lupin Mine Site Reclamation". A copy of both of these reports would be on the CD-Rom that was included in the envelope with this memo.

However the Board wishes to clarify that "**Cost Estimate for Lupin Mine Site Reclamation**" will not be considered under this technical review; rather, it will be **considered along with this amendment application**. Therefore, please ignore the memo's deadline of July 31, 2001 for the cost estimate as the deadline for intervention statements is **July 24, 2001** (15 days prior to the pre-hearing of August 9, 2001). Please verify that you have a copy of this report, and if not, whether you need a copy.

Sincerely,

Rita Becker
Licensing Administrator
