Subject: RE: 160218 2AM-LUP1520 NWB's Technical Review for INAC's Amendment Request - Lupin Mine Project - Kitikmeot Region

Hi Robin,

Lupin Mines Incorporated would like to request an extension from March 18th to March 25th to provide its comments to the Board with respect to the Technical Review for INAC's request to amend the Type A Water Licence for Lupin Mine. The reason for the extension is to accommodate travel schedules and because Lupin Mines Incorporated lost electronic data due to power outages and surges resulting from a windstorm in Vancouver this past week.

Regards,

Karyn Lewis
