Re: Comments on Echo Bay Ltd.' Application for Licence Renewal for the Lupin Mine and Ulu Project

Dear Parties:

In a letter dated March 31, 2000, a deadline was set for 1:00 p.m. today to receive submissions with regards to two items of the Echo Bay Public Hearing. The following submissions were received:

- 1) Echo Bay Mines: Response to Brodie's Cost Estimate
- 2) Echo Bay Mines: Reclamation Security
- 3) Environment Canada: Response to Echo Bay's comments
- 4) Department of Indian and Northern Affairs: Response to Echo Bay's comments and Brodie's Review.
- 5) Department of Sustainable Development: Comments on Echo Bay Mines Public Review

These submissions will be sent by e-mail or fax to the attached distribution list. Please note that some of the above submissions have already been sent to some parties and will not be sent again. The e-mailed version of # 1) is missing some appendixes. These can be obtained by fax upon request. As well, #3) mentions a March 19, 1996 letter that can be obtained by fax upon request.

As stated in the March 31st and April 4th letters from the NWB, the parties from whom the above submissions were received have until on or before April 25, 2000 to reply to each other's submissions.

Yours truly,
