Re: <u>Application Acknowledgement and Additional Information Required for Lupin</u> Exploration Project Proposal

Dear Patrick Downe:

On September 9, 2009 the Nunavut Impact Review Board (NIRB or Board) received Elgin Mining Incorporated's project proposal from Aboriginal Affairs and Northern Development Canada (AANDC). The NIRB has assigned this project proposal file number 11EN047. All documents received and pertaining to this project proposal include:

- Aboriginal Affairs and Northern Development Canada Application for Land Use Permit in English
- A map of the exploration area

The NIRB has undertaken a preliminary completeness check and finds that your project proposal does *not* contain sufficient information for the NIRB to permit proper screening. Specifically, the NIRB is requesting submission of the following information by September 30, 2011.

- NIRB Part 1 Summary Application Form in English
- NIRB Part 1 Summary Application Form in Inuinnagtun
- Non-technical Project Proposal summary in English
- Non-technical Project Proposal summary in Inuinnaqtun
- NIRB Part 2 Project Specific Information Requirements (PSIR) Form
- Map showing proposed drill sites, location of the Lupin existing mine and camp sites, locations of fuel storage, air strip, as well as the areas undergoing the detailed ground magnetic survey and Induced Polarization Surveys.

Please forward all forthcoming submissions to the NIRB at <u>info@nirb.ca</u> or via fax at (867) 983-2594.

If you have any questions or concerns, feel free to contact me at 867-983-4611 or <u>tarko@nirb.ca</u>.

Sincerely,

Tara Arko Technical Advisor Nunavut Impact Review Board
