Subject: NWB1LUP-Request for more Information

In your letters dated August 30, 1999 to Mr. Dave Hohnstein of Echo Bay Mines Ltd. and Nigel Quamariaq of NIRB, you mentioned that there was not enough information on this NWB1LUP application for the Lupin Mine Project in order to conduct a meaningful review.

Please let the Nunavut Water Board know which material and information you would like to receive with regards to this particular application, so that we can forward it to you as soon as possible.

Sincerely,

Rita Becker
