Hi A/ Mgr Licensing, NWB

Indigenous and Northern Affairs Canada, is in receipt of the NWB letter regarding water licence 2AM-LUP1520 dated April 20, 2016. In the letter, the Board outlined its expectations of INAC as well as indicating that this process should be completed within 30 days, a date we have calculated as ending May 20.

The department is requesting an additional 30 days to allow time to engage the licensee and formulate our responses following that engagement on the matters contained in the board's letter.

Respectfully,

Ian Parsons
