Good afternoon Phyllis,

Aboriginal Affairs and Northern Development Canada (AANDC) intends to participate at the Technical Meeting and Pre-Hearing Conference (TM-PHC) for Lupin Mines Incorporated's renewal application for Type A water licence 2AM-LUP0914 in Kuluktuk on October 22-23, 2014.

The Nunavut Water Board requested intervening parties to provide comments on the draft agenda and to confirm names of representatives participating on the TM-PHC by October 10, 2014.

AANDC has no comments on the draft agenda. And the names of the representatives participating in the TM-PHC are as follows:

Karen Costello, Director, Resource Management, AANDC
Jean Allen, Water Management Specialist, Water Resources, AANDC
Eva Paul, Water Resource Officer, Field Operations, AANDC

The following representatives will be participating in the TM-PHC via audio conference:

Randy Knapp, SENES Consultants Limited
Norm Cavanagh, Department of Justice
Amjad Tariq, Regulatory and Science Advisor, Water Resources, AANDC

If you can confirm whether there will be audio conference capability at the TM-PHC and provide call-in details once available, it would be greatly appreciated.

Thank you,
Jean
