Dear Robin/Phyllis,

Please find the attached update on the Lupin Mine Closure Estimate to address PHC item 16. The attached document has some minor changes as well as an updated Lupin Mine Closure Cost Estimate (Appendix B) based on recent discussion with AANDC. LMI has also included an Appendix C - Addendum - Lupin Mine Closure Cost Estimate Update which are notes based on discussions and to provide clarification to the most recent conference call between LMI, its consultants and AANDC and its consultant held on November 24th, 2014. For clarity purposes, the addendum follows the format of the closure cost estimate (Appendix B).

If you require further information please feel free to contact me.
