Phyllis: We have no further comments with respect to the license application or INAC's and KIA's final submissions. Please consider our submissions to the written hearing process complete as of our last correspondence. If you require any further information or comment from OZ Minerals, please contact me on my cell phone number or by e-mail.

Subject: 2AM-LUP0008 KIA and INAC responses
Importance: High

Good afternoon Andrew. I've attached copies of INAC and KIA responses to our letter of January 26, 2009. Please note that neither responded before the deadline of February 2, 2009. INAC responded in an email direct to Dionne and she didn't realize that that was their official response. Today I received the October 2007 letter from INAC. Please provide a response to the attached, ASAP as Dionne is in the process of completing the decision and licence to present to our Board next week in Iqaluit. We will all be leaving here on Sunday afternoon

Regards,

Phyllis Beaulieu
