Hi Karen,

I need to pass on some news regarding our consultant ARCADIS on theis file and Charles the lead person.

Charles had a Heart Attack on Friday - December 9, 2016, the extent of which I don't know.

However ARCADIS and Charles are trying to figure out how to proceed with this file.

Due to these unfortunate circumstances INAC is requesting a one week extension to the comment period.

We would like to have the Comment period extended to January 19, 2017 as our consultant was going to way in on the third party report.

Please let me know if you want to discuss further.

Regards,

lan
