Hi Richard,

Thank you for forwarding LMI the CIRNAC comments on the Lupin Mine progressive reclamation security reduction file.

LMI is respectfully requesting a teleconference between the NWB, LMI and CIRNAC, as soon as possible, to be able to address CIRNAC's comments and allow the NWB to make a decision on this file in the very near future. LMI will provide comments on CIRNAC's submission to assist on the call.

Regards,

Karyn Lewis
