Hello Richard,

Thanks for the October 20, 2020 opportunity to review to the response from LMI on October 19, 2020, with respect to Water Licence 2AM-LUP2032 conditions E25 and E27. Please find Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) response below;

CIRNAC comments:

1. CIRNAC will review the September 28, 2020 updated Final Closure and Reclamation Plan provided for review by the Nunavut Water Board on October 13, 2020. CIRNAC will review the updated FRCP and provide comments pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown Indigenous Relations and Northern Affairs Act*, and other associated legislation and policies.
2. CIRNAC appreciates the commitment by LMI to provide the construction drawings to the Nunavut Water Board as required by the water licence. CIRNAC looks forward to reviewing these construction drawings.
3. CIRNAC appreciates the provision of the approval letter from WSCC Chief Inspector of Mines.

Thanks and please let me know if you have any questions.

Best Regards,

Godwin Okonkwo (M.Sc., P.Bio)
