Dear Ms. Beaulieu

**RE: 2013 Annual Geotechnical Inspection – Lupin Mine Tailings Containment Area, Nunavut
Lupin Mine, Nunavut, License Number 2AM-LUP0914**

Please find attached 2013 Geotechnical Inspection Report, completed by SRK Consulting, to fulfil part E, item 6 (g) of our water licence.

There are no issues requiring immediate attention identified in the report. The minor erosional issues, particularly in the perimeter dams, will be addressed in the 2014 summer season. Repairs to the internal Dams M will also be considered. The recommendations regarding inspection locations and schedules will be implemented.

If you have any questions regarding the above, please do not hesitate to contact me.

Sincerely,
Lupin Mines Incorporated.

George Friesen
Manager of Technical Services
