Licence 2AM-LUP0008, (previously NWB1LUP0008)

This letter provides the monthly report for the Lupin Mine site for June of 2007. The site remains on care and maintenance status. There was no occupation of the site, mining or other industrial activity and no water taking or discharge during the month of June, 2007.

The articles of incorporation for Wolfden Resources Inc. have been amended to change the name of the corporation from Wolfden Resources Inc. to Zinifex Canada Inc. All legal instruments, contracts and undertakings initiated under the name of Wolfden Resources Inc. survive the name change and have been transferred without alteration to Zinifex Canada Inc. There has been no legal sale of the property or other rights from one party to another, simply a change in the trade name of the corporation. If this change calls for any further action on our part, please advise Zinifex accordingly. From this point forward, all correspondence should be directed to Zinifex Canada Inc. at the address noted below.

If you have any questions regarding the status of the Lupin site for June of 2007, please do not hesitate to contact me. I can be reached at 807-346-1668, on my cellular phone line at 807-251-6722 or by e-mail at andrew.mitchell@zinifex.com
