Dear Ms. Beaulieu

**RE:     Monthly Report for August 2013**  
**Lupin Mine, Nunavut, License Number 2AM-LUP0914**

Activities on site during the month of August involved care and maintenance only. There were no people staying on site throughout the month.

A site inspection was conducted on August 29<sup>th</sup> by one Elgin and one DMS employees. The tailings containment area, fuel storage areas, and building s were inspected. No significant issues were observed.

There was no domestic water used, no sewage produced, and no domestic waste generated during the month.

If you have any questions regarding the above, please do not hesitate to contact me.

Sincerely,  
**Lupin Mines Incorporated.**
