Dear Ms. Beaulieu

RE: Monthly Report for September 2013
Lupin Mine, Nunavut, License Number 2AM-LUP0914

Activities on site during the month of August involved care and maintenance only. There were no people staying on site throughout the month.

SRK completed the annual geotechnical inspection on all fuel and tailings containment areas on September 12th.

There was no domestic water used, no sewage produced, and no domestic waste generated during the month.

If you have any questions regarding the above, please do not hesitate to contact me.

Sincerely,
Lupin Mines Incorporated.

George Friesen
Manager of Technical Services
