Dear Ms. Beaulieu

RE: Monthly Report for October 2014
Lupin Mine, Nunavut, License Number 2AM-LUP0914

Activities on site during the month of October involved care and maintenance only. There were no people staying on site throughout the month.

A site inspection was completed on October 8th by Mathieu Beaudoin of Discovery Mining Services. The tailings and sewage containment areas, fuel storage areas, and buildings were inspected. No significant issues were observed.

A Pre-Hearing Conference, a Technical Session, and a Community Information Session were held in Kugluktuk, NU on October 22nd and 23rd hosted by the Nunavut Water Board to facilitate the water licencing renewal process.

There was no domestic water used, no sewage produced, and no domestic waste generated during the month.

If you have any questions regarding the above, please do not hesitate to contact me.

Sincerely,
Lupin Mines Incorporated.

George Friesen
Manager of Technical Services
