Dear Mr. Drumond,

Re: **Meadowbank Project – Application under the Navigable Water Protection Act**

Please find attached an application form for the construction of dikes in the Third and Second Portage Lakes at the Meadowbank Project to comply with the requirements of the Navigable Water Protection Act.

Should you have any questions on this application or on any other matter concerning the Meadowbank project, please do not hesitate to contact Stéphane Robert at 819-759-3700 ext: 814 or myself.

Sincerely,

Louise Grondin
