Submission of Revised Supporting Documentation**

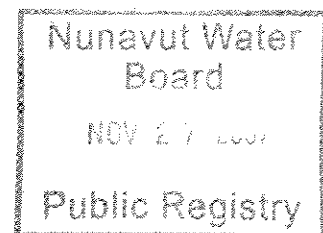

Please find enclosed two paper copies and two electronic copies of each of the following revised documents in support of the Type A water License application for our Meadowbank Gold Project:

- Document 425: Operational ARD /ML Sampling and Testing Plan (25 pages)
- Document 432: Fault Testing and Monitoring Plan (10 pages)
- Document 450: Water Quality and Flow Monitoring Plan (60 pages)

All three of these documents were inadvertently submitted in August 2007 without a Table of Contents. This has been corrected in the revised documents submitted with this letter. There are no other changes in the text in these three documents.

Regards,
Agnico-Eagle Mines Ltd.
